1955 HEART FUND CAMPAIGN

1. The Heart Fund Campaign for this Agency will be conducted 11 February through 25 February 1955.
2. The Heart Association conducts an organized effort to combat diseases of the heart which are the leading causes of death in the United States. Contributions are used for research into the diagnosis, treatment, and prevention of heart disease. Education, both lay and professional, in methods of combating this disease, community service such as cardiac clinics, job placement of industrial workers with heart disease, and coordination of medical, nursing, welfare, and other services are assisted by these funds.
3. Sunday, February 20, has been designated as Heart Sunday. On that day, the American Heart Association will conduct a house-to-house campaign in the community. Employees are encouraged to contribute at home as well as at the office. Contributions made through your office, however, will assist the Agency in making a successful campaign.
4. Contributions may be placed in the plastic hearts distributed throughout the Agency. The Services Branch, Employee Services Division, Office of Personnel, has been designated to collect and forward your contributions.
